### **New Music Out Now**

#### **FOR IMMEDIATE RELEASE**

New Orleans, LA - March 18, 2020 – Following up of the exclusive video exclusive release of her single “Wake Me Up,” New Orleans native Vinlisa continues her amazing pursuit in her music career with her latest single, “Sweet Tooth.”

In her new single, Vinlisa showcases her flirtatious side as she pursues an indecisive significant other. Throughout this lighthearted track, Vinlisa fearlessly takes the lead as she searches for what her significant other truly wants.

“I wanted to switch up the idea of men usually being the one to constantly make the first move. In this case, I’m taking the position in pursuing my love interest rather than waiting for something potentially dormant, because both are too afraid to do anything about the relationship.” – Vinlisa

This song is the last single off of her first ever EP releasing May 15<sup>th</sup>, 2020, serving as a culmination of her musical craft, love life, work ethic and life experiences.

Growing up, Vinlisa found herself immersed in different cultures living in cities across the country, which influences and diversifies her music. After returning to her Louisiana roots, Vinlisa posted her first YouTube cover of “Thinking About You” by Frank Ocean. Fueled by her passion for music and the positive feedback that she received from her peers, Vinlisa continued to create numerous bedrooms covers for three years before releasing her debut single “Wavelength.” A year and a half, and two singles later, Vinlisa began crafting her EP, with the release of her song and video “Wake Me Up.”

Influenced by the likes of Jhené Aiko, Kehlani and Summer Walker, Vinlisa is a vibrant up and coming singer-songwriter driven to prove herself in the music industry.
